## CAMPER RELEASE FORM

Family \_\_\_\_\_ Children (list all) \_\_\_\_\_

This form is used to determine who is authorized to pickup your child(ren) from camp. There are two ways that a child may be picked up from camp:

1. **Through our dismissal queue (all full-day campers).** This is the most common method. Briar Hill provides a placard in your camp package that is placed on your car's dashboard during dismissal. The placard identifies which children are being picked up. After a short wait in our dismissal queue, your child will be brought directly to your car. You may form carpools with other families by completing the section below. You may also photocopy the dismissal placard.
2. **By coming to the camp office.** This is the procedure for all mini-day campers and anyone that does not have a dismissal placard when picking up. You must present photo identification and be listed below as an authorized person to pick up from the office. *Note: if picking up at a non-standard time, please email or call the office so we can have your camper ready.*

### Authorized People (mandatory)

I authorize my child(ren) to be released to the following people. Please list everyone that is authorized, including any carpool parents.

### Multi-family Carpools (optional)

If you will be **routinely** participating in a carpool with other camp families, you may setup a carpool. Each family in a carpool will receive an additional dismissal placard. You may use either the carpool placard or your family placard depending on which children you would like to pickup. **Please note that a carpool can only be formed if we receive matching requests from all participating families. Please coordinate to make sure each family is authorizing the same carpool.** *Note: please do not fill out this section for one-time or infrequent carpools.*

I would like the following children to be in a carpool with my children:

### Signature (mandatory)

I agree to follow Briar Hill's dismissal/release procedures and understand that another person will not be allowed to pickup my child unless specified above.
