SENIOR+ CAMPER ELECTIVES

SUMMER 2024

Campers participate in two electives each week - one each morning and one each afternoon. **For each week that you are enrolled, please select a first and second choice for both AM and PM electives.** We strive to honor as many first choices as we can, but we cannot guarantee a specific elective choice so we do require a second choice just in case. Please consider your choices carefully. Some electives involve materials that have been ordered or prepared in advance. Others have space limitations. It is not always possible to change electives during the summer.
